We will have someone available to move the cattle out of the arena.

7. **New Class 2020:** Ranch Cattle Sorting—This will be a class for Senior exhibitors only. This class is a demonstration of common chores involved in sorting cattle for doctoring, weaning, branding, gentle and sorting for market. This will be an individually judged event with three-minute time limit. This event is judged, excessive speed is discouraged. Contestants will sort up to three head of cattle a run. Turnback riders assist in keeping the herd in the designated area. They may push unwanted and previously sorted cattle back into the herd.
