VIRTUAL
2020 EASTERN COLORADO CROP PRODUCTION CONFERENCE
NOVEMBER 30TH TO DECEMBER 11TH, 2020

Colorado State University Extension is planning on offering the 2020 Eastern Colorado Crop Production Conference virtually. Starting on November 30th through December 11th, Monday to Friday, there will be two one-hour webinars from 9 to 11 am (Mountain Standard Time). The webinar series will feature a number of different presentations on soil and crop management, precision agriculture, irrigation, and integrated pest management.

Crop consultants may earn up to 20 continuing education units (CEU). Commercial pesticide applicators may earn category credits on Agriculture Insect Control (101), Plant Disease (102), and Agriculture Weed Control (103).

The registration fees for the webinar series will be \$80 per person, which includes 20 CEUs. Fees per webinar or CEU will be \$10. Stay tuned for more information on the agenda and registration at:
